SCORE,

a national, non-profit organization and a resource partner with the U.S. Small Business Administration. SCORE is made up of working and retired business executives who donate their time assisting people by providing business counseling. SCORE has five offices located throughout the state of Florida. To locate the office nearest you, please visit <http://www.score.org/findscore/index.html>.

Enterprise Florida, Inc.(EFI) is Florida's primary economic development organization designated to diversify the state's economy by supporting, attracting and helping to create business. Our office works in conjunction with EFI to further business development. We do offer incentives, however that is after EFI submits a project-specific recommendation to the office. 407-956-5600 or www.eflorida.com
