

Palm Beach County Immunization Requirements School Year 2011-2012

Florida Certificate of Immunizations, Form DH 680, is the only document that the schools are permitted to accept as proof of immunization.

(This form is available through local physicians, Palm Beach County Health Department School Health Division, Palm Beach County Health Department Clinical Health Centers, other local medical providers.)

Shots may be obtained through your local physician, local medical providers, Palm Beach County Health Department Health Centers or Palm Beach County Health Department Immunization Van located throughout the county.

<p>REQUIRED</p> <p>Diphtheria/Tetanus/Pertussis (DTaP) Polio Series Measles/Mumps/Rubella (MMR) Hepatitis B Series (Hep B) Varicella Tetanus/Pertussis Booster (Tdap) 7th grade</p> <p>Haemophilus influenzae type B (age appropriate) Pneumococcal –children 2-24 months entering childcare</p>

By the time a child starts school he/she should have already had all required immunizations. A physical is required for entrance to Pre-kindergarten, kindergarten and those entering 7th grade.
