

Palm Beach County's

SMOKE FREE

Dining Guide 

SMOKE FREE

The Tobacco-Free Partnership of Palm Beach County is excited to join the youth of S.W.A.T (Students Working Against Tobacco) in their campaign to reduce exposure to second-hand smoke by producing this smoke-free dining guide.

Between 1998 and 2000, more than 27,000 lives have been saved because of the tobacco prevention efforts of Florida's youth through S.W.A.T. and the "truth" campaign.
